October 23, 2009

Dear Craig,

I wanted to let you, and everyone with Wisconsin District 4 Little League, that we will be holding the 2nd Annual Purdue Youth Baseball Camp & Indoor Games on December 27-28, 2009. The camp website is www.BlackandGoldBaseball.com.

The camp provides a unique opportunity to play full-sized baseball games indoors for the youth player. Because it is also a camp, it has instructional segments that help each player develop good balance, posture and an understanding of why baseball is such a fun and challenging sport to play. The goal of the camp is to provide each player with an experience that he will not soon forget.

Camp tuition for both days is $199 and includes a Purdue Baseball T-shirt and hat. Should a player only be able to attend one day then the camp tuition would is $135. As always, it is free for coaches and administrators with Wisconsin District 4 Little League to attend the camp and listen in on the instruction and tips that are given. Coaches are encouraged to ask questions.

After the first day of camp we will have an open discussion with parents on what to expect with high school baseball just around the corner. We feel it is a good opportunity for parents to ask questions in order to learn what the process of high school and college baseball is like. That discussion will be held at the Courtyard by Marriott in Lafayette, after the camp is dismissed for the day, and everyone has an opportunity to eat dinner.

The Courtyard is the host hotel for our camps and has generously offered a rate of $89 for a room with either one or two beds. The Courtyard property is only a year old and is a great hotel. Should some players and parents decide to make the short drive to West Lafayette then they can call the Courtyard at (765) 449-4800. Several great restaurants are located near the Courtyard.

Please feel free to call me at (765) 496-3442 if you have any questions. Last year was the first year for this camp and it was very popular. We are excited to be able to offer it again this year to allow youth baseball player the opportunity to play indoor games in December. Registration and camp details are available at www.BlackandGoldBaseball.com.

Best Wishes,
Ryan Sawyers
