For Geometry (B)
By Mr. Cross
Webpage: **webpages.charter.net/bcross**

Your grade will be determined by the points you have earned from:

a) Tests: Group 20%, Individual 80%.
b) Quizzes and "Turnins".
c) Homework (5points each)

Tests and quizzes are self-explanatory. Group tests will be given prior to the Individual tests. "Turnins" are problems you copy over from you homework, and turn in. You cannot use your book, only your homework. Thus, be organized! Always put the page and problem numbers on each assignment. This is an easy way to pick up points...if you are neat and well organized.

BEWARE!

Five points will be given for each assignment (class work / homework) completed.

Correct and keep all assignments in a neat location... **Not your textbook!!** A binder is recommended. A cheap, inexpensive calculator with sine, cosine and tangent function keys should be in your possession.

The school's tardy policy will be strictly enforced. 10 unexcused absences *may* lower your grade.

Test missed because of an excused absence, **must be made up within two weeks**. After two weeks the grade will stand as a zero. In short, make up missed tests ASAP!!

Tests missed because of a cut cannot be made up and will result in a zero. If you must cut (Please reconsider), avoid a test day!

Proper class conduct is expected at all times. Cheating will be dealt with through parents and administrators.

Everyone will take the Final. Be wise and study for the final for it can help you (or it can hurt you).

Good luck and may you have a good year.

A = 100-90
B = 89-80
C = 79-67
D = 66-60

NOTICE: If you are seeking honors credit then you must be enrolled in Honors Geometry. Student wishing to change from Honors to regular must do so before the 10^{th} week.

DETENTIONS; unfortunately, detentions will be (must be) given for:

1. Disturbing the class and preventing the learning of others. One warning will be given then DETENTION! Removal from class will follow if the disturbance continues.
2. Rudeness/disrespect to either the teacher or fellow classmates will result not only in DETENTION, but in a parent conference. In short, be nice.
3. Excessive tardies as outlined in the Tiger Handbook.
4. Forgotten materials: Books, paper, homework. After three dashes to the locker, DETENTION!
5. There will be **THREE** potty privileges this **trimester.** After that, DETENTION!! If there are physiological problems, let me know.

$$$$$$$$$Note: Lost or damaged books have replacement cost of about $ 70 **$$$$$$$$$$$$$$$$$$$$**
