DUTIES

My job duties have consisted of taking customers digital files and producing printing plates, color proofs and color copies from files with such formats as Microsoft Word, QuarkXpress, Microsoft Publisher, Adobe Illustrator, Adobe Photoshop, Corel Draw, Adobe Pagemaker. Much of the time is spent finding and fixing problems in the customer files so that they will print to plates properly.

See that all printing meets qualifications of customer. Schedule all work to be done in the department, make sure work is done on time. Work consisting of stripping, layout and designing work from anything from foreign currency, American Express Travelers Checks, Stocks and Bonds, Gift Certificates and any other type of Secure documents. My work consists of plate making, order Intaglio plates, order supplies, work on computer using Quark Xpress, Corel Draw, Microsoft Word, Adobe Photoshop, Adobe Illustrator, use disk sent in by customer, etc...

I have taught computer graphics, Adobe Illustrator, Adobe Photoshop, QuarkXpress, typing and intro to the computer, as a part time at night job at this community college.
