

BUSES

The District determines the eligibility of a student riding the bus. The bus routes, pick up and drop off spots are determined by the school district's transportation department.

Remember that riding the bus is a privilege! The rules for the bus are simple. The rider needs to listen to the bus driver, follow their directives, read and know the printed rules given to them, and always be on their best behavior. Unacceptable behavior will result in the loss of bus privileges.

First Citation: No loss of bus privilege, student conference with Principal or designee, and parent notified.

Second Citation: Student conference with Principal or designee, bus privilege denied for up to three days.

Third Citation: Student conference with Principal or designee, bus privilege denied from two to six weeks.

Fourth Citation: Student conference with Principal or designee, bus privilege denied for remainder of the school year.
