

VOICES OF PEACE:  
An Interfaith Storytelling Concert

Metro East Interfaith Partnership is seeking  
***storytellers and musicians***

to participate in

VOICES OF PEACE,

an interfaith concert of stories and songs  
on the theme of peace from the world's spiritual traditions.  
The concert is scheduled for February 2010  
at the Shrine of Our Lady of the Snows.

From ***peace in one's heart to peace among nations...*** stories may address the theme on any scale. They may be drawn from scripture, history, myth, folktales, or personal experience but must be appropriate for a family audience including school-age children. Each story should take from 4 to 8 minutes to tell.

The program will also include several interludes of musical performance. We hope to include one or two simple songs or chants which the audience can learn and join in. (These could be part of a story presentation.)

**Would you like to share a story or song about peace?**

Please contact the Metro East Interfaith Partnership by calling 618-208-1669 or emailing Rev. Sheila Grace Wellspring at [gracewellspring@charter.net](mailto:gracewellspring@charter.net).

***The stories people tell have a way of taking care of them.  
If stories come to you... learn to give them away where they are needed.  
Sometimes a person needs a story more than food to stay alive.***
