

RULES AND REGULATIONS

changes since 1989

1. Club dues, \$20.00, and Tournament fees, \$30.00, for a total of \$50.00 per year must be paid in full by the close of the February meeting. Failing to Pay the \$50.00 will result in the loss of your club membership

15. Drawings are held on Wednesdays, not Fridays.

NOTIFY THE TREASURER. It was passed for the 1998 season that - if you are drawn twice this year and do not fish, your name will **not** be drawn for the balance of the year unless you specifically request it. Remember you are in all the drawings unless you notify the treasurer and get your name removed **before** each drawing.

16. New members are paired with the highest finishing members from the previous season, who are still club members. 1st tournament only.

ADDITIONS

1. Any member who fails to fish a minimum of two (2) tournaments in any tournament season will automatically move to the bottom of the club roster waiting list. In other words, fish at least two tournaments or your out.

2. Any club member who fails to appear for a tournament two (2) times in any tournament season, after having been drawn, will be disqualified from the club and not allowed back in. In other words, pull a no-show twice in any season and your out of here.

Prioritizing the Club Waiting List

1. First, any new names that are on the waiting list. Their order is first come first serve.

2. Second, existing members who did not fish the required two tournaments. Their order is based on: 1. Number of tournaments fished
2. Number of total years in the club

3. Any additional new names. Their order is first come first serve
