

FEAST HERE TONIGHT

D There's a rabbit in the log and I **D** ain't got my dog
D How will I get him I **A** know I'll
D Get me a briar and **D** twist it in his hair
D That way I'll **A** get him I **D** know

Chorus:

G I know (yes I know) I **D** know (I surely know)
D That's how I'll get him I **A** know I'll
D Get me a briar and **D** twist in his hair
D That way I'll **A** get him I **D** know

I'll build me a fire and I'll cook that old hare
Roll him in the flames and make him brown
Have a feast here tonight while the moon is shining bright
And find me a place to lie down

Chorus:

To lie down (to lie down) To lay down (to lay down)
Find me a place to lie down
Have a feast here tonight while the moon is shining bright
And find me a place to lie down

I'm going down the track and my coat ripped up my back
Soles on my shoes are nearly gone
A little ways ahead there's an old farmer's shed
That's where I'll rest my weary bones

Chorus:

Weary bones (weary bones) Lazy bones (lazy bones)
That's where I'll rest my weary bones
A little way's ahead there's an old farmer's shed
That's where I'll rest my weary bones
