verse1:

A woman in the Bible days Her last meal almost gone
But God sent Elijah to make His Word known
He said woman don't you worry For God sent me today
And before you even asked Him Help was on the way

chorus:

Just hold on a little longer Help is on the way
A brighter day is coming For those who believe and pray
Help won't help tomorrow If you give up today
Just hold on a little longer Help is on the way

verse2

Troubles of this life come by And burdens get you down
You think no one is listening You think no one's around
Just remember what His Word says Trust Him and obey
Keep your eyes towards the Heavens For help is on the way
