Jo

I jumped in bed and covered my head - Wish I was dead, Sally Jo
Sally Jo, where did you go oh Sally Jo

Since you have gone my days are turned to night - Nothin' goes right, Sally Jo
Sally Jo, where did you go oh Sally Jo

The hurt you left has just begun to show - Sally Jo, I've been so low
Sally Jo, where did you go oh Sally Jo

I'm like a little dog left out to stray - No one wants me, no place to stay
Sally Jo, where did you go oh Sally Jo

Did I do bad or was I good to you - Yes or no, Sally Jo
Sally Jo, where did you go oh Sally Jo

The torch I carried had a light so bright - For me to see, Sally Jo
Sally Jo, where did you go oh Sally Jo

Sally Jo, Sally Jo hear my plea come back to me
