## Happy New Year Ladies and Gents!

As I write this I can't help but feel humbled as I think of all the responsibilities this job as your new President entails. However, I am encouraged at the great group of women who belong to our club. We have already begun the job of organizing the 2007 cabinet. Many of you have agreed to stay on as chairmen of your committees and for that I am very grateful.

Some of you might not know me. Please allow me to introduce myself - I joined Morro Bay RWF at about the same time as Cathy Novak. I served as Secretary under President Rose Marie Sheetz, continuing as Vice President under Lorie Noble. When I took a full time job at Cuesta College I had to step back from EBRWF luncheons. It wasn't until last February at a "Rally at the Galley" for Rodger Anderson that Helen Hileman invited me back to the luncheons! As one of those who encouraged Erin Malin to take the Presidency in 2006, I told her I would support her. When I discovered a Newsletter Editor was needed I stepped up to the plate and the rest is history.

I want to encourage you to invite that neighbor who is a Republican woman to lunch! We need to grow our club and I hope to be a part of that this year. With that I look forward to seeing you at our next luncheon on Thursday, January 18th at 11:30 a.m.

**Topic:** The Thousand Hills Pet Resort

Jack Gould and his partner run Thousand Hills Pet Resort in San Luis Obispo and are close friends of Gail Smith-Deegan. They employ and mentor young men at the pet resort, obviously using the care of the animals as "therapy." His business partner Rob Bryn spoke at EBRWF a few months ago -- he was Chairman of the "Californian's for Schwarzenegger" San Luis Obispo County campaign.

Jack holds a BA from Sacramento State University in Public Administration. He was a Sergeant for the California Highway Patrol for 10 years, and an Undersheriff for 3 years.

Jack has been President for International Life Support for 18 years! This is a Paramedic ambulance service provider with locations in Hawaii, Reno, Spokane, WA, and the San Francisco Bay area. For 10 years, Jack was Founder and Director of the Son Care Foundation and Alpha Academy.

Jack has been married 41 years, has a daughter and grandchild in Atascadero, and has been a resident of San Luis Obispo since 1998.

**Legislation News**

Item of the Week from the desk of the CFRW Legislation Advocate

**HR 3 PASSES!**

On Jan. 11th the House passed HR 3, a bill that will expand research on embryonic stem cells that will result in the killing of human embryos. The Democrats feel that there won't be enough votes to overcome the President's veto, which he may do. This bill has to go to Senate and all the processes it takes to pass a bill.
