

## Hello, I am Freda

Yes, I do love the color blue. I was born Freda Lorene Bradford in Long Creek, Oregon. I moved with my family to Rogue River Oregon in 1929. I have traced my family line back to the 1700's which you can see on my Family History page.

I have seen many a change here, and have some really great things to show you. I have a brief family photo album and some really great poems written by my mother when she was with us. If you don't have time to read this now just bookmark the site and return later. If you would like to get a copy of the poems please contact me by email at [fredabab@charter.net](mailto:fredabab@charter.net) and I will be happy to let you know how to get them.
