

Freda's Favorite Things

I have done so many different things in my life that I have to limit this page to my current hobbies that I enjoy. Below you will find pictures of my current collection of amberglass and plates that I collect. I also have an interest in computers, so you will find links for free and Shareware software on my Contacts & Links page. I have also links to many Senior Sites, links for my local community and Southern Oregon. Thank you for visiting my Favorite Things page, and do book mark my site so that you can return again.

Sincerely, Freda Babcock
