We had an article in the newspaper about our meet and greet with the Worcester Sharks.

Ed advised that Karen of the Hockey Nut was upset that we did not obtain permission for selling product at the meet and greet.

Karen will no longer give Baystate permission to sell merchandise within the rink, at any future events.

Chris advised that 2 coaches have been suspended on being on the bench in Westboro due to roosters not being in on time.

Scott and DJ advised that they have started the schedule for the goalie clinics. They will need at least two shooters and coaches at each clinic.

The clinics will be starting in December.

The Board has agreed to reimburse Mike Tomlin \$400.00 for the tuition already paid for the season.

Scott advises that we are setup with paypal account. The account is setup under Denise's email address.

Paul advised that all Jersey are all set.

We have 34 Learn to Skate and 11 Learn to play participants for this session.

DJ advised that all teams are setup for the play downs. They only teams not registered are the Mite I and Mite II.

Mel will be filling in for DJ at the next USA meeting due to prior commitments.

Larry advised that we raised \$5200.00 at the Golf Tournament. We did well in the raffle and auction at the Golf tournament. We had a total of 38 Golfers present and 1/3 of the golfers were not part of the organization. We appreciated their attendance.

Larry suggested we still do the raffle fundraiser. Don will be reaching out to Bob Martin to obtain information on the raffle information from last year.

Denise advised that she is sending out the final letter to parents that still owe on November 15.

Denise advise that some parents have made arrangements to make payment plans. Balance will need to be paid in full for the payment plans by Feb 1, 2008.

Don advised that he would like the list of outstanding balances. Denise will forward list to Don.

Ed advised that he would like to organize the skate prior to a game with the Worcester Sharks for March 8, 2008. We will discuss this at the next board meeting.
