MAJOR LEAGUE RULES

- 1) All players must play a minimum of 3 innings if time permits. It is best when they are alternated every other inning. All Team Players will bat in one batting order.
- 2) The Home team will be responsible for the TWO baseballs (concession stand) and finding a Home Plate Umpire. They are also responsible to sign their name on the pay voucher of the Umpires. Hopefully there will be a list of Volunteer Umpires on the bulletin board in the concession stand.
- 3) The Away team will be responsible for the base Umpire. Both Coaches are responsible for sending the score and any highlights to the "Web Master" at lynns608@charter.net to be recorded on the Little League web site at <http://webpages.charter.net/lynns607/index.htm>
- 4) In the stealing rule the ball must cross home plate before the runner can leave the base.
- 5) May use a courtesy runner for your catcher if two outs in the inning to get the equipment on, the last batter to make an out will run for the catcher.
- 6) Rather than postpone or forfeit any games due to lack of players, you may use other replacement players (Younger Leagues) to reach the minimum to 9 defensive players. The replacement player will be placed in the batting order after all the regular team's roster players.
- 7) No replacement players will be allowed to play if nine roster players are at the game. After the game starts any regular player that shows up late will play. The Manager will either remove the replacement player; or the regular player will split time with the replacement player.
- 8) The manager must remove the pitcher when said pitcher reaches the limit of pitches for his/her age group as noted below, but the pitcher may remain in the game at another position:
- 9) League Age: 11-12 = **85** pitches per day
 - i. 10 and under = **75** pitches per day
- 10) Exception: If a pitcher reaches the limit imposed above for his/her league age while facing a batter, the pitcher may continue to pitch until that batter reaches base or is put out.
- 11) Intentional Walk – Before a pitch is delivered to the batter, the catcher must inform the umpire-in-chief that the defensive team wishes to give the batter an intentional base on balls. The umpire-in-chief waves the batter to first base. The ball is dead.
- 12) A player pitching in consecutive games. Exceptions:
- 13) **Note 1:** If a player pitches 1 to 20 pitches in a day, no rest is required
Note 2: If a player pitches 21 to 45 pitches in a day, one calendar day of rest must be observed.
- 14) **Note 3:** If a player pitches 46 or more pitches in a day, two (2) calendar days of rest must be observed.
- 15) Make-up games. A "Master" sign-up calendar at the **Equipment Room** is the final schedule for each diamond. Please play all your scheduled games they all paid they Fees.
- 16) When the pitching machine is used for practice an adult must be the one putting the baseballs in the machine. This is a "common sense" rule.
