7:00 pm Rays 8  
Padres 9

As one of the parents reporting, tonight's game Devil Rays @ Padres. Tonight's was certainly a gripper. Brody Foan was the starting pitcher for the Padres. Brody hurled his way through 4 innings of pitching w/ only two hits against him

while achieving 7 Strikeouts to start off the evening. As the night progressed from there on the Padres were up 5 to 1 going into the Top of the fifth when the tables turned in favor of the Devils Rays due to some defensive mistakes and Pitching mistakes made by the Padres. The Devil Rays started finding the ball and Rallied on into the sixth inning taking the lead 8 to 5 over the Padres. Padres fans held strong and supported their team in hopes of a comeback. And finally the Devil rays pitching began to weaken. In the bottom of the sixth inning with two outs and two runners on base the Devil Rays intentionally walked Brody Foan to load up the Bases. Cody P. now stepped up to bat for the Padres. Cody was determined and kept his nerve hitting the ball into right field turning a double and with a slight error on the Devil Rays that double turned into a triple winning the game for the Padres. Final Score 9 to 8, Padres over the Devil Rays.
