- 1) All players must play a minimum of 3 innings if time permits. It is best when they are alternated every other inning. All Team Players will bat in one batting order.
- 2) There may be a total of 10 defensive players.
- 3) The Home team will be responsible for the TWO baseballs (concession stand) and finding a Home Plate Umpire. Umpires will be paid using a voucher system see Cheryl Pluim (Concessions Manager) for these voucher sheets.
- 4) They are also responsible to sign their name on the pay voucher of the Umpires. Hopefully there will be a list of Volunteer Umpires on the bulletin board in the concession stand.
- 5) The Away team will be responsible for the base Umpire. Both Coaches are responsible for sending the score and any highlights to the "Web Master" at lynns608@charter.net to be recorded on the Little League web site at <http://webpages.charter.net/lynns607/index.htm>
- 6) The First half of the season the LL. Stealing rule is not in effect. The base runner must stay on base until the ball crosses home plate. The runner then may leadoff.
Note 1: If any player throws the ball to third base for picking off the third base Runner, the Runner may advance at their own risk. The Runner must be tagged to be out.
Note 2: Runners may advance at their own risk on over-throw/under-throw from the catcher back to the pitcher only. The third base Runner may not advance on pick-off throws to other bases.
- 7) The second half of the season there will be a stealing rule. The ball must cross home plate before the runner can leave the base. The Runner can steal 2nd and 3rd bases but cannot steal home refer to rule 6.
- 8) May use a courtesy runner for your catcher if two outs in the inning to get the equipment on, the last batter to make an out will run for the catcher.
- 9) Rather than postpone or forfeit any games due to lack of players, you may use other replacement players (Younger Leagues) to reach the minimum to 9 defensive players. The replacement player will be placed in the batting order after all the regular team's roster players.
- 10) No replacement players will be allowed to play if ten roster players are at the game. After the game starts any regular players that show up late will play by removing the replacement players; or splitting time with the replacement players.
- 11) Move the game along-Only 10 batters or 6 runs per inning exception last inning unlimited batters and runs.
- 12) Must use 3 pitchers in a week. A pitcher may only pitch (3 innings per game) 6 innings per week in league play. Sunday through Saturday constitutes a week.
- 13) If a pitcher throws only (1) pitch in an inning, it equals (1) inning pitched.
- 14) Once a pitcher is removed from the pitching position that player may not be use as pitcher again in the same game.
- 15) With the limitations of innings on the Pitchers it is imperative that all make-up games be played in the same week. Rain-outs are no exception to these pitching rules.
- 16) The manager must remove the pitcher when said pitcher reaches the limit of pitches for his/her age group as noted below, but the pitcher may remain in the game at another position:
- 17) League Age:
 - a. 11-12 = 85 pitches per day
 - b. 10 and under = 75 pitches per day
- 18) Exception: If a pitcher reaches the limit imposed above for his/her league age while facing a batter, the pitcher may continue to pitch until that batter reaches base or is put out.
- 19) Intentional Walk – Before a pitch is delivered to the batter, the catcher must inform the umpire-in-chief that the defensive team wishes to give the batter an intentional base on balls. The umpire-in-chief waves the batter to first base. The ball is dead.
- 20) A player pitching in consecutive games. Exceptions:
Note 1: If a player pitches 1 to 20 pitches in a day, no rest is required
Note 2: If a player pitches 21 to 45 pitches in a day, one calendar day of rest must be observed.
Note 3: If a player pitches 46 or more pitches in a day, two (2) calendar days of rest must be observed.
- 21) Make-up games. A "Master" sign-up calendar at the **Equipment Room** is the final schedule for each diamond. Please play all your scheduled games they all paid they Fees.
- 22) When the pitching machine is used for practice an adult must be the one putting the baseballs in the machine. This is a "common sense" rule

One note on the Minor rules. With our new pitch count rules (#16 - #20) do you think we should eliminate rules #12 and #13 to avoid the confusion we had in previous years
