

Dr. Matilda Giampietro

The Center for Montessori Teacher Education—Music Presenter, 21 years

Montessori Music & Movement Training

One Week Workshop

Monday, July 19 to Friday, July 23

9 am to 3 pm

Tuition: \$700 for the week

*Location: Washington Montessori School
240 Litchfield Turnpike
New Preston, CT 06777*

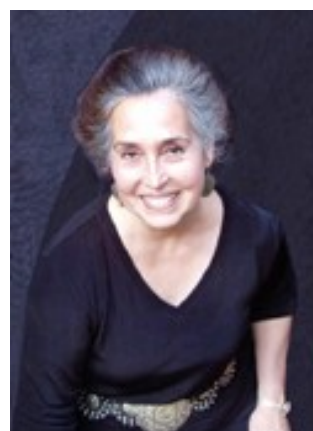

Learn the traditional Montessori Music Materials and their essential place in the Montessori Classroom. Sing, move, dance and play! Learn interactive, cooperative music and movement games, traditional singing games, contra dances and international folk dances. Begin building a repertoire of exciting and authentic children's rhymes, songs, games and dances.

"Matilda brings song, dance and joy to teachers and students. Her gifts to us break down barriers, create community, add laughter and empower all she touches!"

Carole Wolf Korngold, Founder & Director, CMTE

AMS Past President and recipient of the Living Legacy Award

For the past 10 years, Matilda has been giving custom-tailored workshops at Montessori schools throughout the country, and she is once again offering a week-long music and movement intensive summer course at Washington Montessori School in scenic New Preston, CT. This workshop is intended for Montessori teachers and music teachers who are interested in expanding their knowledge of Montessori music materials and the use of music and movement in the 2 to 6-year-old and 6 to 9-year-old classrooms. It is helpful if the participants have some background in music, but the desire to learn will allow those with less musical knowledge to gather materials they can use in their classrooms.
