
First Annual Miss Fond du Lac Princess Program

This year is the inaugural year of the Miss Fond du Lac Princess Program.

The Miss Fond du Lac Princess Program, a subsidiary of the national Miss America program, will be offered in conjunction with the 2010 Miss Fond du Lac pageant. Through this program, young girls will get the chance to be a princess leading up to the local Miss Fond du Lac pageant. The program will not be judged, which means every girl is a winner.

The princess program will be open to any girl age 4-11, and the cost to enter is \$30. Part of the proceeds of the princess program will go toward scholarships for the Miss Fond du Lac contestants.

Each princess will receive a tiara, sash. Leading up to the pageant, each princess will be paired with a Miss Fond du Lac contestant, who will serve as her mentor. All of the princesses will also have a special princess party a couple of weeks before the pageant with Miss Fond du Lac and all of the Miss Fond du Lac 2010 contestants. At the princess party, each princess will have her picture taken by a professional photographer, learn about the different areas of competition in which the Miss Fond du Lac contestants will participate, spend time with her mentor, have punch and cookies, and more.

On the night of the Miss Fond du Lac pageant, the princesses will wear crowns on stage and get to participate in the Miss Fond du Lac Pageant.

Through the Princess Program, young girls will learn what it is like to be a Miss Fond du Lac contestant as well as what it is like to be Miss Fond du Lac. Above all, it will be a chance for them to develop their self-confidence. Who knows - one of these young ladies could someday be Miss Fond du Lac, Miss Wisconsin or even Miss America!

Please contact the Pageant through the website at www.missfonddulac.com or e-mail at missfonddulac@charter.net Space is limited so don't delay!
