MIDWEST CANOE RACING ASSOCIATION

JULY, 1995 NEWSLETTER

Here is just a short newsletter with results from our last few club races, and a race that Calvin went to in Canada. Calvin has just left again to go to a race in Michigan this weekend, so I thought I'd better get the newsletter out to everyone. I have also included a North Platte race flyer for the C-2 race on Sunday, July 30. There will be a C-1 race on Saturday, July 29 with the same race course starting at 10 a.m. One of the other races we have coming up is the Waterloo race on Saturday, August 5. I have also put in a copy of an article from our local newspaper about Calvin's trip to China a few weeks ago.

Islander man spends 10 days canoeing in China

By Jeff Korbek

The Independent

Canoeing the Platte River is a far cry from moving a boat through the waters of a river in Yueyang, China.

Grand Island's Calvin Hassel can attest to that.

The 31-year-old Islander spent 10 days in China competing in the Dragon Boat World Championships. He was part of the U.S. team that won a silver medal in the 1,000-meter race.

Hassel

"It was interesting," Hassel said. "It's a different way of life. (Canoeing) is really big sport over there. It's a major event in that part of the world."

So winning the medal made the trip that much better.

Hassel, who has 14 national titles to his credit, joined 19 others in a boat. The majority of the U.S. team was Philadelphia-based. That team invited Hassel, who has built a respectable reputation in marathon canoeing, and four members from the U.S. Olympic Team to round out its roster.

"It was an opportunity that was too hard to pass up," Hassel said. "We were sponsored by McDonald's, so everything was paid for."

The group competed in three races: 250, 500 and 1,000 meters. They reached the finals of each one and won the medal in the 1,000.

"There were a lot of teams," Hassel said. "Most of them have been together for one or two years. We were an unknown competitor. We practiced together for the first time a couple of days before the race."

The Chinese team won the gold in the 1,000. Indonesia, who had never been beaten by any other team other than China, was third.

"It was an exciting race," Hassel said. "We were in fifth with 100 meters to go to the finish line."

The U.S. team raced past Germany, New Zealand and Indonesia.
