NOTE: According to the USCA Bylaws, Rules and Regulations, non-U.S. paddlers may not be awarded a USCA Championship title nor receive the traveling trophy, should there be one. When a non-U.S. team or individual wins first place, the National title and trophy is awarded to the first all U.S. team or individual. A ★ designates this occurrence. When the U.S. paddler/s win first place, the National title is awarded to them. This rule is in affect for the Triathlon, Sprint and Marathon Championships. All paddlers receive the medal for position of win, whether U.S. or non-U.S. (No duplicate medals.)
