

the U.S.C.A.

History of the United States Canoe Association

The USCA was an outgrowth of the Indiana Canoe Racing Council and the Illinois Paddling Council which were organized in the early 1960's to promote and administer cruising canoe racing. By 1967 the ICRC was sanctioning races in nine midwestern states from Pennsylvania to Missouri with hundreds of competitors from a dozen states. Races were held most weekends from early spring to October.

The activity had outgrown state stature. The November, 1967 annual meeting of the American Canoe Association was petitioned to establish national activity committee for cruising canoe racing or marathon racing. This activity and the participating paddlers were rejected by the ACA. To fill the void produced by the ACA rejection, the USCA was organized by a meeting of midwest canoeists January 6, 1968 at Turkey Run State Park near Marshall, Indiana.

About one hundred canoeists answered the conference call and in the two day meeting enacted by-laws, elected interim officers and delegates, and structured committees. Interim officers were Charles Moore, president; Thor Ronemus, vice president; Bev LaBrant, secretary-treasurer. Seven names were considered and U.S. Canoe Association won over U.S. Canoe Racing Association by a single vote margin.

A racing committee was elected, composed of Roland Muhlen, Lynn Tuttle, and Howie LaBrant. Bob Stwalley chaired Publications; Al Beletz chaired Conservation Committee.

Ohio delegates elected were Dick Pratt of Cincinnati and Thor Ronemus of Springfield. Gene Denzel of Fenton was the Missouri delegate, with Bill Garrison and Chris Greenleaf representing Culver Military Academy. Wally Quandt of Woodstock, Ill. was soon joined by Illinois elected delegates Lynn Tuttle of St. Charles and Bob Ellison of North Aurora. Indiana elected delegates Charles Moore of Indianapolis, Dr. Lewis Runnels of Darlington, Robert Stwalley of Crawfordsville, Dr. Richard LaSalle of Wabash, and Howard LaBrant of Whiting.

Interim offices gave way to delegate election of Charles Moore as president, Thor Ronemus as vice-president, Clint Wilkins as treasurer, Bev LaBrant as editor, Heinz Wahl as membership chairman and Helen Denzel as secretary.

The first National Championship race was held on the south fork of the Cumberland River from near Oneida, Tenn. to below Pine Knot, Ky. on July 6 & 7, 1968. The 26-mile course has many class II rapids, one class III, and has a mandatory portage around Angel Falls. The senior mens race was won by Roland Muhlen & Art Preising of Cincinnati in 4:04:38

2nd Bob Demoret of Crawfordsville, Ind. and Odell Mitchell of South Lebanon, Ohio.
3rd Bob Ellison of North Aurora, Ill. and Ron Taylor of Batavia, Illinois.

Junior Men was won by Ward Wilkins of Linden, Ind. and Paul Runnels of Darlington, Illinois, in 4:26

2nd Mike Thrasher of Bloomington, Ind. and Clyde Killian of Logansport, Indiana.
3rd Pat Moore and John Siefert of Indianapolis, Indiana.

Mixed C-2 was won by Belinda Wilkins of Linden, Ind. and Bruce Runnels of Darlington, Indiana in 4:39

2nd Sarah Blind and Tom Pinkston of Crawfordsville, Indiana.
3rd Jane Harder and Thor Ronemus of Springfield, Ohio.

The first Canoe News was published in March, 1968 as the first of quarterlies; the fourth issue was published in December. The infant was healthy and growing.

All officials of the USCA work for the same salary: nothing. The two most important and time-consuming offices are Membership Chairman and Editor, therefore, these non-elective offices are listed with elective officers.

An Unofficial History of USCA

The 1973 Annual Meeting was held in Goshen, Indiana hosted by the St. Joe Valley Canoe & Kayak Club. Dick Tileston was President, Wayne Walls Vice President, Ron Moore Secretary and Howie LaBrant Treasurer. Jim & Shirley Stephens of Niles, Michigan were the co-editors.

The USCA CRUISING CANOE became a Competition Cruising Canoe. Race sanctioning was inaugurated at this meeting.

Bob Frederick, the Cruising Chairman, already had 12 trips lined up ranging from Wisconsin's Wolf River to the Little Miami in Ohio and the Cumberland in Kentucky.

The 1973 Nationals were scheduled for August 25-26 at Marinette, Wisconsin on the Menominee River.

A committee was set up to arrange a federation between USCA, ACA and AWA. Shows you how long we've been kicking this around.

Things got a little hot at the Sugar Creek race in Indiana. A dam was proposed for Sugar Creek and at the awards, when State Representative John Myers tried to give Roland Muhlen a trophy, Roland expressed his opposition to the dam by refusing the award. Also refusing awards were Terry Streib and Ward Wilkins. Mr. Myers left the ceremonies in a huff. TEE HEE.

The National Open Canoe Wildwater Championships were held on Maine's Dead River. Frank Brazelton and Bill Sievert of Wisconsin were the winners.

Here are the results from the 1973 USCA National Marathon Championships:

THE UNOFFICIAL HISTORY
OF USCA

A Joint Winter Canoe Camp in Texas was organized by Stan Warburton of Illinois. Jack Snarr was President and Jim & Shirley Stephens were editors.

Everything is bigger in Texas and the USCA National Marathon Races were no exception. Held August 24 and 25th in Waco, paddlers raced 20 and 40 miles! I wonder how many entered 2 events in one day? Here's the results:
