Mission:

The mission of St. Leo's Preschool is to fulfill the congregation's mission of providing educational programs to meet the needs of the congregation and the church at large. The preschool program is planned to develop the "whole child": spiritually, socially, emotionally, creatively, intellectually, and physically. Learning programs are age and individually appropriate, providing excellence in education within a Christian environment. Peacemaking skills are emphasized, empowering the children to live and interact with others and with God's creation in nonviolent ways.
