### Serenity Prayer

God grant me the serenity to accept  
the things I cannot change, the  
courage to change the things I can,  
and the wisdom to know the  
difference.

What is our message? The message is that an addict, any addict, can stop using drugs, lose the desire to use, and find a new way to live. Our message is hope and the promise of freedom. When all is said and done, our primary purpose can only be to carry the message to the addict who still suffers, because that is all we have to give.

This is a simple, spiritual-not religious program, known as Narcotics Anonymous”
