

The Trooper Scooper

FINAL EDITION

Troop 385 has embraced modern technology. With the advent of the troop webpage by Sam Voight, the old Trooper Scooper has become . . . obsolete. We now have the capability to keep every family updated about current events, happenings and changes. Everything you need to know is on the website. For those parents who's scouts haven't told them about the troop website, it is:

<http://webpages.charter.net/troop385>

From personal experience, it has to be typed in as stated above: I tried using www.webpages.charter.net/troop385 and nothing came up.

For those families who do not have access to the Internet, please let me know so that I can still send you the Parents Meeting Minutes through the tried and true US Postal Service. Either call me, mail me a request, or send a note along with your scout to a Troop Meeting to give to me if you wish to receive the Minutes through the mail.
